

# LE ROI CHAIR

by Kristian Sofus Hansen & Tommy Hyldahl

The Le Roi Lounge Chair is made from solid oak with inlaid French rattan. The collection is a minimalistic interpretation of rattan furniture from the French colonial period, merged with well known Scandinavian furniture archetypes. The tactile French rattan creates a translucent surface highlighting the beauty of a simple wooden construction.

The Le Roi Chair comes in Natural and Dark Stained oak with or without a loose seat cushion for extra comfort.
